0730–0900  Registration & Posters up

0900–1030  Special Interest Groups—SIGs

**Scientists**
Chairs: Martin Donnelly
       Nigel Farrow

**Dietitians**
Chairs: Natalie Van der Haak
       Andrea Kench

**Nurses**
Chairs: Judith Glazner
       Elyssa Williams

**Physiotherapists**
Chairs: Brenda Button
       Fiona Moran

**Psychosocial**
Chair: Stephanie Chen

**Pharmacists**
Chair: Courtney Munro

1030–1100  Morning Tea

1100–1200  Special Interest Groups—SIGs (continued)

1200–1300  Lunch (LAY CONFERENCE Registrants only)
# Conference Official Opening
## 12th Australasian Cystic Fibrosis Conference

|         | Abstract:                                    | “Interleukin-1 Drives Neutrophilic Inflammation and Structural Lung Disease in Young Children with Cystic Fibrosis”—*Samuel Montgomery* |
Concurrent Session 1B: Optimising Nutrition

**Chairs:** Susannah King, Sophie Crotti

**Nutrition Guidelines—From the Outset to the Outcome**
Speakers: Natalie Van der Haak, Senior Dietitian, Women's and Children's Health Network, Adelaide. Andrea Kench, Cystic Fibrosis Dietitian, Westmead Children's Hospital, NSW.

**Nutrition and CFTR Modulator Therapies**
Speaker: Jenna Stonestreet, Senior Dietitian, Adult Cystic Fibrosis Centre, Prince Charles Hospital, Brisbane.

**Enteral Feeding for Individuals with CF—Evidence Informed Guidelines**
Speaker: Amanda Leonard, Advanced Nutrition Practitioner, Johns Hopkins Children's Centre, Baltimore, USA.

**Abstract:** "An Historical Perspective of Dietary Intake Studies in Children with CF: A Systematic Review"—Rosie Sutherland

Concurrent Session 1C: Getting Moving

**Chairs:** Michael Doumit, Rebecca Scoones

**Optimising Musculoskeletal Health for Cystic Fibrosis and an Active Life**
Speaker: Jane Ashbrook, Musculoskeletal Physiotherapist, St. Helens & Knowsley Hospitals Trust, Merseyside, UK.

**Optimising Bone Health Through Exercise**
Speaker: Anna Middleton, Senior Respiratory Physiotherapist, The Children's Hospital, Westmead, NSW.

**Outcome Measurement Through Exercise Testing**
Speaker: Fiona Moran, Senior Physiotherapist, The Royal Children's Hospital, Melbourne.

**Abstract:** “6MWT Correlates More Strongly with QOL and Hospitalisations than Physical Activity in Cystic Fibrosis”—Robyn Cobb
## Concurrent Sessions 1 Medical (continued)

### Concurrent Session 1D: Improving outcomes for Non-Tuberculous Mycobacteria (NTM)  
**M3/M4**

**Chairs:**  
- John Wilson  
- Joanne Harrison

**Epidemiology of Non-Tuberculous Mycobacteria (NTM)**  
**Speaker:** Rachel Thomson, Thoracic Physician, The Prince Charles Hospital, Brisbane.

**Treatment of Non-Tuberculous Mycobacteria (NTM)**  
**Speaker:** Anton Peleg, Professor, Director, Department of Infectious Diseases, The Alfred Hospital, Melbourne.

**Non-Tuberculous Mycobacteria (NTM) and Infection Control in Australia**  
**Speaker:** Scott Bell, Professor, Adult Cystic Fibrosis Centre, The Prince Charles Hospital, Brisbane.

**Abstract:**  
“Non-Tuberculous Mycobacteria in Children with Cystic Fibrosis: How Common is it?” — Jennifer Yan

### Concurrent Session 1E: Living Well Across the Lifespan  
**M1/M2**

**Chairs:**  
- Judith Glazner  
- Heather Hugo

**Well-being—Adherence**  
**Speaker:** Alexandra Quittner, Professor of Psychology and Paediatrics, University of Miami, USA.

**Psychological Impact on the Family**  
**Speakers:** Cindy Branch-Smith, Senior Research Officer, Health Promotion & Education, Research Team & AREST CF, Telethon Kids Institute, Perth.  
- Andrea Barrett, Senior Clinical Psychologist, Princess Margaret Hospital, Perth.

**Q & A Panel Discussion**  
**Panel:** Alexandra Quittner, Cindy Branch-Smith, Heather Hugo, Jennifer Kemp, Andrea Barrett, and Anthony Talbot

**Abstract:**  
“Socioeconomic Status at NBS Diagnosis is a Predictor of Health in Infants and Preschool Children” — Tonia Douglas

### 1200–1230  
**Lunch**
### Lunch Session 1: IV Access for Life

**Chair:** Judith Glazner  
**Speaker:** Elizabeth Prentice, Staff Specialist, Paediatric Anaesthetist, Royal Children’s Hospital, Melbourne.  
**Abstract:** "Arteriovenous Fistula: A New Way to Deliver IVTABS —The Prince Charles Hospital CF Centres Experience"—Vanessa Moore.

### Lunch Session 2: Cystic Fibrosis Mentoring Program

**Chair:** Caitlin Miles  
**Speaker:** Amanda Leonard, Advanced Nutrition Practitioner, Johns Hopkins Children’s Centre, Baltimore, USA.

### Lunch Session 3: Procedural Care and Anxiety

**Chair:** Alice Morgan  
**Speaker:** Ann Maree Leahy, Educational Play Therapist, Royal Children’s Hospital, Melbourne.  
**Alice Morgan,** Senior Clinical Psychologist & Co-ordinator of Clinical Psychology, Royal Children’s Hospital, Melbourne.

### Lunch Session 4: New Guideline Launches

**Chair:** Karin Knoester, CEO Cystic Fibrosis Community Care  
**Healthcare Workers with Cystic Fibrosis Guidelines**  
**Speakers:** Rebekah Divakarin, Anatomical Pathology Registrar, Dorevitch Pathology, Ballarat VIC.  
**Rhonda Stuart,** Infectious Diseases Physician, Medical Director of Infection Prevention & Control, Monash Health, Melbourne.  
**Nutrition Guidelines**  
**Speakers:** Natalie Van der Haak, Senior Dietitian, Women’s & Children’s Health Network, Adelaide.  
**Andrea Kench,** Cystic Fibrosis Dietitian, Westmead Children’s Hospital, NSW.

### Lunch Session 5: Transition

**Chair:** Nicola Reardon  
**Speakers:** Evelyn Culnane, Manager, Transition Support Service Royal Children’s Hospital Melbourne.  
**Judith Morton,** Senior Respiratory Consultant, Cystic Fibrosis, Royal Adelaide Hospital.

## 1430–1500  Afternoon Tea & Poster Review (Transplant, Psychosocial, Nutrition, Physiotherapy, Molecular Biology)

## 1500–1600  Plenary 5 Medical

**Challenges In Achieving Centre Excellence In Infection Management And Control**

Chair: Scott Bell  
Speaker: Shawn Aaron, Professor, Pulmonary Specialist, University of Ottawa, Canada

## 1600–1700  Oral Abstract Presentations

### Stream 1: Clinical

<table>
<thead>
<tr>
<th>Chairs:</th>
<th>Title:</th>
<th>Speaker:</th>
</tr>
</thead>
<tbody>
<tr>
<td>John Wilson and Joanne Harrison</td>
<td><em>Climate Effects on CF Exacerbations in Australia</em></td>
<td>Scott Bell</td>
</tr>
<tr>
<td></td>
<td><em>Urinary Kidney Injury Molecule-1 as a Non-invasive Biomarker of Kidney Injury Associated with IV Aminoglycosides</em></td>
<td>Courtney Munro</td>
</tr>
<tr>
<td></td>
<td><em>Clinical Outcomes Associated with Shared Pseudomonas aeruginosa Strain Acquisition with an Adult Cystic Fibrosis Centre</em></td>
<td>Kay Ramsay</td>
</tr>
<tr>
<td></td>
<td><em>Concordance of Serial Cough Swabs with Annual Bronchoalveolar Lavage and the Impact of Antibiotic Use</em></td>
<td>Shivanthan Shanthikumar</td>
</tr>
</tbody>
</table>
### Stream 2: Basic Science/Genetics

**Chairs:** Sarath Ranganathan and Nigel Farrow  
**Title:** Constructing a Personalised Cell Culture Model for High-Throughput Testing of CFTR Correction  
**Speaker:** Luke Garratt  
**Title:** A Pilot Study Assessing the Potential of Bacteriophage to Treat Pseudomonas aeruginosa Infection in Cystic Fibrosis  
**Speaker:** Anthony Kicic  
**Title:** Transcriptomic Mapping of Airway Epithelial Innate Immune Responses to Viral Infection in Young Children with Cystic Fibrosis  
**Speaker:** Kak-Ming Ling  
**Title:** Reproductive Genetic Carrier Screening Program for Cystic Fibrosis and Other Inherited Diseases in Victoria  
**Speaker:** John Massie

### Stream 3: Psychosocial/Education/QI

**Chairs:** Judith Glazner and Stephanie Chen  
**Title:** Identifying and Treating Parents of Children with Cystic Fibrosis with Unresolved Grief  
**Speaker:** Cindy Branch-Smith  
**Title:** Annual Reviews and Clinical Recommendations in Children with Cystic Fibrosis: An Observational Audit  
**Speaker:** Charlotte Krones  
**Title:** Clinical Utility of Computed Tomography Scans in Infants with Cystic Fibrosis  
**Speaker:** Katy Newbegin  
**Title:** Quality of Life and Mood in Children and Adolescents with CF: Associations with Sleep Quality  
**Speaker:** Moya Vandeleur

### Stream 4: GI/Nutrition/Endocrine

**Chairs:** Elyssa Williams, Sophie Crotti and Susannah King  
**Title:** A Qualitative Investigation of Barriers to Adequate Nutrition Intake for Cystic Fibrosis  
**Speaker:** Bhey Fox  
**Title:** Effects of Lumacaftor-Ivacaftor on Body Composition in Adults with Severe Cystic Fibrosis Lung Disease  
**Speaker:** Susannah King  
**Title:** Energy-Dense Nutrient Poor and Nutrient-Dense Intake in Australian Children with Cystic Fibrosis  
**Speaker:** Rosie Sutherland  
**Title:** Age-Dependent Values of Stool Calprotectin in Children with Cystic Fibrosis and Healthy Controls  
**Speaker:** Keith Ooi
1600–1700  Oral Abstract Presentations (continued)

Stream 5: Physiotherapy/Cardiopulmonary  M1/M2

**Chairs:** Jamie Wood and Ruth Dentice

**Title:** Increased Exercise Capacity is Associated with Increased Wellness in Adults with CF After Treatment with Ivacaftor  
**Speaker:** Brenda Button

**Title:** Breathe Better: Engaging Adolescents in Exercise  
**Speaker:** Rosemary Day

**Title:** Modified Shuttle Test—What is Normal?  
**Speaker:** Fiona Moran

**Title:** Cough Aerosol Concentration of Pseudomonas aeruginosa is Reduced with Face Masks and Cough Etiquette  
**Speaker:** Michelle Wood

**Title:** Viability of Cystic Fibrosis Pathogens in Cough Aerosols Over Distance and Time  
**Speaker:** Michelle Wood

**Monday Sessions Close**

MCG Tour (Optional)  
From 1815–1900

Conference Celebration  
The Melbourne Cricket Ground  
Brunton Ave, Richmond  
7pm–10pm

</table>
## Concurrent Sessions 2—Medical (continued)

### Concurrent Session 2B: Psychosocial Interventions for Optimising Outcomes  
**M7/M8**

**Chairs:** Stephanie Chen and Heather Hugo  
**Motivational Interviewing versus Partnerships in Care**  
**Speaker:** Anthony Talbot, Clinical Psychologist, Alfred Cystic Fibrosis Service, Melbourne.  
**Beyond Motivational Interviewing: Applying behavioural science to improve treatment adherence across the lifespan**  
**Speaker:** Jennifer Kemp, Clinical Psychologist, Cystic Fibrosis Statewide Service, Royal Adelaide Hospital, SA.  
**Patient & Family Centred Care**  
**Speaker:** Amanda Leonard, Advanced Nutrition Practitioner, Johns Hopkins Children’s Center, Baltimore, USA.

### Concurrent Session 2C: New Therapies—What’s Next and When?  
**M3/M4**

**Chairs:** Peter Wark and André Schultz  
**CFTR Modulators**  
**Speaker:** Philip Robinson, Associate Professor, Department of Respiratory & Sleep Medicine, Royal Children’s Hospital, Melbourne.  
**Gene Therapy**  
**Speaker:** David Parsons, Associate Professor & Chief Medical Scientist, Respiratory & Sleep Medicine, Women’s and Children’s Hospital, Adelaide.  
**Gene Editing**  
**Speaker:** Jim Vadolas, Laboratory Head, Cell and Gene Therapy Group, Murdoch Childrens Research Institute, Melbourne.  
**Abstract:** *A Personalised Medicine Approach to Rescue CFTR Function in Children with Cystic Fibrosis Caused by a Mutation Specific Intron 9 Polymorphism—Kelly Martinovich*

### Concurrent Session 2D: The Microbiome  
**P1**

**Chairs:** Tamarah Katz and David Armstrong  
**The CF Gastrointestinal Microbiome—Structure and Clinical Impact**  
**Speaker:** Geraint Rogers, Director of Microbiome Research South Australian Health & Medical Research Institute Adelaide, SA.  
**Age Related Changes in the Microbiome in Cystic Fibrosis**  
**Speaker:** Keith Ooi, Paediatric Gastroenterologist, The Sydney Children’s Hospital.  
**Early Lung Microbiome**  
**Speaker:** Katherine Frayman, Respiratory Medicine, Royal Children’s Hospital, Melbourne.

Concurrent Session 3E: Cystic Fibrosis Related Diabetes

Chairs: Catherine Byrnes and Angela Matson

**Diagnostic Challenges in CFRD**
Speaker: Shihab Hameed, Paediatric Endocrinologist, Sydney Children’s Hospital.

**Early Detection and Intervention in CFRD**
Speakers: John Widger, Paediatric Respiratory & Sleep Consultant and Director of Paediatric Respiratory Medicine, Sydney Children’s Hospital, Randwick, NSW. Adam Jaffe, Consultant in Respiratory Medicine & Associate Director of Research, Sydney Children’s Hospitals Network.

**New Approaches in CFRD and Nutritional Management**
Speaker: Amanda Leonard, Advanced Nutrition Practitioner Johns Hopkins Children’s Centre, Baltimore, USA.

Abstract: “Are dipeptidyl peptidase 4 Inhibitors an Effective Option in Managing Cystic Fibrosis Impaired Glucose Tolerance?” — Karen Haworth

1230–1330  Lunch
1330–1415  Plenary 6 Medical

**Outcomes Through Care Partnerships**
Chair: Elyssa Williams
Speaker: Cynthia George, Senior Director of Partnerships for Sustaining Daily Care, US Cystic Fibrosis Foundation.

1415–1500  Closing Plenary—Medical

**Future Optimism, Opportunities, Outcomes**
Chair: Peter Middleton
Speaker: Kris De Boeck, Head of the Paediatric Pulmonary & Infectious Disease Program, University Hospital, Leuven, Belgium.

1500–1530  Afternoon Tea & Poster Review (Cardiopulmonary, QI, Infection/Microbiology, Other and Genetics/Screening)

1530–1630  AWARDS

1630  Conference Close
Social Program

Official Opening & Keynote Address—Sunday 6th August 2017 at 13:00. All registered lay and medical, scientific and allied health delegates are welcome in Room P1.

Welcome Drinks—Sunday 6th August 2017 at 17:00. All registered lay and medical delegates are welcome. Located in the Promenade Foyer Central.

Lay Social Evening—Saturday 5th August at Melbourne Public, 11 Dukes Walk, South Wharf, for registered lay delegates to share experiences and relax in a friendly environment (tickets available at the Registration Desk).

Conference Celebration—Monday 7th August 2017 at the Melbourne Cricket Ground (MCG), Brunton Ave, Richmond, for registered medical, scientific and allied health delegates (tickets available at the Registration Desk).
