

CountPlus One are a premier accounting and financial services firm based in Sydney with a wide portfolio of services including Accounting, Audit, Tax, Financial and Virtual CFO Services. They have been in the industry since 1984 and take a holistic approach for the clients they serve. The team at CountPlus One have closely supported CFA over the last challenging last 18 months. CountPlus One were crucial sponsors for CFA during the financial squeeze of 2020 when pandemic conditions rendered fundraising next to impossible.

Their motto is “Relationships for Success” because they know how important it is to be there as an expert to help foster growth and financial success for individuals and businesses big and small. CountPlus One is known for their caring and professional approach with expertise in a wide range of fields and industries, from I.T. to Not For Profit and beyond.

If you would like reliable and practical advice for taking your business to the next level or if you are an individual - professional, or retiree – who is looking for a roadmap to financial freedom, reach out to CountPlus One. Their support and guidance has been essential to CFA’s recent success and they have our utmost gratitude and respect.
