

The Decade Challenge

Sign Up Now!

Let's aim for 10 out of 10!

Let's extend life by at least a decade every decade.

- I would like to join the *Decade Challenge Team*
- I would like to be a *Decade Challenge Ambassador* and I will ask my extended family, friends and colleagues to join the *Decade Challenge*. Please send me the *Decade Challenge* email for me to distribute to my network.

I would like my *Decade Challenge* donations to fund (tick all applicable)

- Access to Life Changing Therapies and Treatments – Kalydeco, Orkambi, Symdeco and Trikafta are making a real difference and that is just the beginning
- Improved Clinical Practice – The Australian CF Data Registry, Peer Reviews and CF Conferences provide opportunities to knowledge share and learn from the best
- Better Patient Outcomes – Putting patients at the centre of care and measuring their experiences will change lives and change care for the better
- Medical Research must continue to be funded and the best Australian researchers need to be lured into CF research.

**Every \$10 will help us get 10 more years
for people with CF in the next 10 years.**

Thank you for taking the *Decade Challenge* and helping CFA.

Together we can achieve 10 out of 10!
