

7 October 2021

## TRIKAFTA TOWN HALL MEETING

Come one, come all to CFA's next Consumer Connect session where we will be chatting with Jo Watson, Deputy Chair of the Pharmaceutical Benefits Advisory Committee (PBAC).

Jo has been at the evaluation and negotiation table since March this year when Trikafta was first submitted by Vertex to the PBAC.

Jo will join me on Consumer Connect to outline the issues currently in play and explain why Trikafta (a proven cystic fibrosis wonder drug) is still languishing without a PBAC recommendation.

Jo is keen to hear consumer stories and concerns. This will be a fantastic session to have your say, ask your questions, share your frustrations and hear what is holding up the PBAC's recommendation of Trikafta.

The CF community is so lucky to have a supporter like Jo Watson who is committed to consumer consultation.

**'Save the Date' – 12 October 2021 at 6pm.**

**TO REGISTER AND PARTICIPATE – LINK [HERE](#)**

Have your questions ready for Jo so we make the most of the Consumer Connect session. Please send your questions to Mala [malag@cfa.org.au](mailto:malag@cfa.org.au) at CFA if you wish to remain anonymous.

Kind regards
