

Transplant Medical Information Card

Name

Medicare
Number

Date of Birth

(dd/mm/yyyy)

I have had a transplant. I am usually cared for by the specialist transplant team at hospital.

My transplant team is familiar with my history and treatments. **Please contact them on** **so they are aware I am unwell & can provide information & advice on my care.**

ABN 73 104 285 136

Essential Information

Improved transplant techniques and new cystic fibrosis treatments & drugs have extended lives by decades & improved quality of life dramatically. There are four things you need to know about CF and transplant

1. Life expectancies continue to increase
2. Cutting edge medicines drastically reduce symptoms & restrictions
3. People with CF who have had a transplant are vulnerable to COVID-19 but can & do recover
4. A call to my Transplant Centre is critical to understanding my health.
