

3 August 2023

**WE ARE HAPPY TO ANNOUNCE THAT WE HAVE BEEN SHORTLISTED FOR THE THIRD SECTOR AWARDS IN THE SMALL CHARITY OF THE YEAR CATEGORY!**

The Third Sector Awards celebrates not-for-profit organisations across Australia, and this year we are proud to be shortlisted alongside our peers for Small Charity of the Year.

The Small Charity of the Year Award recognises not-for-profits operating with 10 people or less who have made a significant social impact.

Cystic Fibrosis Australia (CFA) was established with the vision of improving the lives of individuals affected by CF, and as a small yet dedicated charity, CFA has been a driving force in raising awareness, supporting research, and improving patient and clinical outcomes. As a small organization, CFA operates as a close-knit team that is deeply passionate about its mission. Despite its size, CFA's impact is far-reaching.

We could not have achieved what we have without the support of our Partners, Collaborators, Sponsors, and incredible CF Community Members.

You can show your support for Cystic Fibrosis Australia by [voting for us](#) and checking out all the nominees for the Small Charity of the Year award on the Third Sector Awards website.

Vote for Cystic Fibrosis Australia [HERE](#)

[Voting](#) closes on 16 August 2023.

Winners will be announced at the Third Sector Awards on 13 September 2023.
