CELEBRATING YOUR IMPACT

2023 Year in Review

Celebrating Your Impact: A Special Year-End Message from Cystic Fibrosis Australia (CFA).

As we bid farewell to 2023, we want to turn the spotlight on you—our incredible community.

Your support of CFA has propelled us to reach remarkable heights this past year. Thanks to your alignment with our campaigns, highly effective modulators now reach more individuals, and clinical care nationwide is focussed on elevating standards.

For 40 years, your advocacy, donations, volunteering, fundraising, and relentless efforts have driven our success. This year, we extend our deepest gratitude to YOU, our community. Without your steadfast support, none of our achievements would be possible. We are in this together.

We reflect upon a year of resilience, progress, and unwavering commitment in our pursuit of a world without cystic fibrosis (CF). Thanks to the incredible support of our Federation Members, Community, Partners, and dedicated Advocates, we have achieved significant milestones in our ongoing mission.

Of course, we still have a lot more work to do but as the year concludes, here's a glimpse into the impactful journey we've shared.

Your 2023 Impact

Yet, challenges persist. There is so much more for us to do, and we will need your continued partnership.

Many people with CF remain ineligible or unresponsive to modulator therapy. This is a priority for us. At CFA, our unwavering mission is to raise CF awareness nationally and with an aging population and ongoing research for genetic therapy, new challenges arise.

As we embark on a new year, we extend our deepest gratitude to each supporter, advocate, and partner who played a role in making 2023 a year of progress and hope. Together, we are forging a path toward a future where cystic fibrosis is conquered and people can increasingly live longer, healthier lives.

In the spirit of giving, we invite you to join us in our end-of-year fundraising campaign. Your support ensures that we continue to make plans for the year ahead as we strive toward more progressive outcomes. With your unwavering support, we have the confidence that together, we can create a brighter future for those touched by cystic fibrosis.

“Being part of the CFA community has shown me that my donation isn’t just a drop in the ocean; it’s a ripple that reaches both national and global networks, creating a stronger, united front against cystic fibrosis.” Sarah, CF Mum

This end of year, we invite you to stand with us once again. Your donation fuels our commitment to breaking barriers, advocating on a national and international stage for our Australian CF Community.

Thank you for being an integral part of the Cystic Fibrosis Australia family. Here’s to a promising 2024 filled with hope, resilience, and collective determination to continue to grow on the outcomes of this year. Together we can ensure that we embrace tomorrow.

[Please donate today](#)

Together, let’s continue pushing boundaries and making a lasting impact.
All donations above \$2 are tax deductible.

Warm regards,

Jo Armstrong

CEO
