EARLY BIRD TICKETS CLOSING SOON

Dear CF Australia Community,

Time is running out! There are just over two weeks left to secure your Early Bird tickets for the highly anticipated 15th Australasian Cystic Fibrosis Conference.

After a prolonged wait since 2019, this conference marks our first face-to-face gathering in 5 years, and we couldn't be more excited. The past couple of years have presented challenges, with our last conference held virtually. However, Cystic Fibrosis Australia, along with our respective Lay and Medical Conference Committees have been hard at work to ensure this conference is not only in person but also delivers immense value for the CF community.

Conference Highlights:

- Cutting-edge research in the field of cystic fibrosis.
- Networking opportunities with incredible minds and like-minded individuals.
- A chance to build and strengthen relationships with those dedicated to supporting our CF community.
- Keynote Speakers Elizabeth Tullis & Margaret Rosenfeld confirmed.

[Learn about our Keynote Speakers Here](#)

Save the Date:

- Conference Dates: 2 - 4 August 2024
- Location: Brisbane Convention & Exhibition Centre, Queensland, Australia.

Act Now - Early Bird Closing Soon:

Seize the moment and take advantage of our Early Bird prices before they vanish! Early Bird ticket sales for the Australasian Cystic Fibrosis Conference 2024 will conclude on January 31. Don't miss this special discounted rate and secure your spot to join us in Brisbane this August!

We are genuinely thrilled to welcome you to Brisbane for what promises to be an unforgettable event. Your presence will contribute to the success of this conference, and together, we can continue our mission of supporting the CF community.

See you in Brisbane!

Warm Regards,

Jo Armstrong
CEO

Cystic Fibrosis Australia
