## ABSTRACT SUBMISSION DEADLINE EXTENDED

We're excited to share that the Call for Abstract deadline has been extended until the 19<sup>th</sup> of March!

Submitting an Abstract to the 15<sup>th</sup> Australasian Cystic Fibrosis Conference presents an excellent opportunity for you to showcase the remarkable work you're doing for our cystic fibrosis community.

Submissions from all health-related areas on CF are encouraged.

**For the first time ever**, all selected abstracts will have the chance to be featured in the prestigious *Journal of Respiriology*, providing a platform for your work to be published and recognized. This presents an incredible opportunity to showcase your contributions, collaborate on projects, and highlight the significant work being done in the cystic fibrosis field.

The Australasian Cystic Fibrosis Conference promises to be an exceptional event, marking our first face-to-face conference since 2019. With many individuals eager to engage, collaborate, and advance projects together, it's an ideal environment to be a part of.

Abstract submissions have been extended until March 19<sup>th</sup>, so don't miss out on this chance to ensure your work is included in this global conversation!
