SURVEY

Parent health literacy and care integration for children and young people with complex chronic health conditions

Are you, or do you know a parent of a child with special health care needs, chronic health conditions, and/or disabilities?

You may be able to participate in this online survey to find out how our healthcare services can best support the needs of families of children and young people with chronic conditions.

Click the link here to find out: Understanding how health care services can be best designed to support the needs of you and your child.
